The report of the Board of Church Erection Fund shows that during the year there were 238 applications for assistance, upon which grants were made aggregating 3103,391, and loans, \$61,192.

This total exceeds any previous year in the history of the Board, and still there is an insufficiency of supplies.

In the Board of Aid for Colleges and Academies, during the year, the receipts have been \$75,134, and the donations in the shape of aid aggregated \$83,530.

The report of the Board in charge of the missions for freedmen shows that nearly \$290,000 annually is being expended in this direction, with very good results.

During the year the report of the Board of Relief shows that 722 persons were afforded assistance, \$4 new names being placed on the rolls last year. There are 75 ministers over seventy years of age retired, the oldest being ninety-four, and 25 of the number being over eighty. The total appropriation for this work was \$152,492.

The Sabbath-School Department has organized 290, but of this total 256 have ceased

organized 990 new schools and reorgan-ized 299, but of this total 255 have ceased to exist. Into these schools about 45,-000 teachers and scholars are now gath-

on teachers and scholars are now gathered.

The report of the Board of Foreign Missions displays a very satisfactory condition of affairs. During the year forty-six new missionaries were sent into the field, making a total in connection with the Board of 323 missionaries, which with native agents of all grades reaches a total of 1,647, including 187 ordained ministers.

"In China," says the report, "notwithstanding petty persecutions and apprehensions of more serious opposition in retaliation of the iniquitous legislation of our Government against the Chinese in the United States, steady progress has been made."

The total number of conversions reported by all missionaries for the year was 3,452, an increase of 10 per cent, over the preceding year.

The keneral summary of the report on home missions condenses the most important details of the year's work as follows:

The report of the Permanent Committees on Temperance, as made public, enters into that subject largely in detail and makes some recommendations that will come before the Assembly. Referring to the World's Fair the report says: "We cannot contemplate except with feelings of shame the proposed spectacle to be placed before all the world of a vast National grog shop and a vast National exhibition of the tramplings down of law." The establishment by Congress of an impartial commission of inquiry concerning the liquor traffic is favored.

Local option is not regarded as the best and ultimate solution of the Presbyteries here favored it as a steeping stone to vards general prohibition.
